PLEASE NOTE: -

Eden Furniture work hard to keep our price list correct and up to date with all of the latest prices but unfortunately these are unprecedented times and it is necessary to add the following points.

There may be certain products that have had price changes before we have had chance to amend the complete list and upload to the Eden Furniture website. Please note that this affects both price increases and decreases.

There is still a great deal of volatility in the global marketplace and prices for products are changing on a weekly basis.

Raw material costs are still rising, affecting timber, steel and aluminium amongst others.

Power prices have had substantial changes and are still increasing which are having massive knock on effects to costs.

Freight costs From both the Far East and Europe, coupled with extra charges for customs clearance and all having a major impact.

We will endeavour to honour the prices within this price list but have to add that only prices obtained via the main sales office on an official quotation will be honoured for 30 days From the date of the quote.

Obviously we are not alone in this situation and it affects everyone in the industry but we have chosen to adopt a dynamic approach and amend prices as soon as possible.

Over 25 years, Eden Furniture has made every effort to work closely with both suppliers and customers, building relationships but we have to reserve the right to alter or amend prices without warning.

Notes to the Price List

General

This price list supersedes all previous price lists. All prices exclude VAT.
All Sales are subject to our Terms and Conditions.

Prices exclude delivery. Delivery is chargeable by post code per order. All deliveries are to a ground floor location during normal office hours. All delivery time given are best estimates.

No fixings for tabletops are included in the prices unless a complete table is supplied (i.e. both a top and a base). If MDF fixing boards are required for the underside of the tabletops, please add £10.00 per top.

Fabrics

We are able to offer a vast selection of fabrics to suit all designs both in terms of style & practicality. All of our fabrics meet the UK fire regulations on fire and combustibility and are all suitable for high usage contract situations. The prices in the price list are for fabrics costing up to £15.00 per metre. Other fabrics From higher price bracket can be supplied with the prices amended pro-rata.

Wood Finishes

Most of our wood furniture can be finished in any colour required. The most popular colours are Natural Beech, Light Oak, Cherry, Brown Oak, and Mahogany & Dark Walnut. Our spray shop can mix and match stains to achieve the required colour. Once the correct colour has been obtained, the furniture is sealed with a number of coats of commercial lacquer to give toughness and durability.

Assembly of Products

Some of our products require assembly. For many jobs we are able to offer an assembly service. The goods will be assembled either prior to delivery or on site. Please contact the sales office for further details and a quotation for this service.
