

# EDUCATION & OFFICE

Eden have assembled a compact range of Education & Office furniture to help offer our customers a 'One Stop Shop'. The range consists of popular, well built, simple furniture, designed to maximise flexibility and optimise the use of the space available. Our Education & Office furniture range has been specially selected for its quality and great value for money.

The Office Range consists of desks, chairs, pedestals, filing cabinets, storage units, bookcases, etc. in a choice of beech, maple or oak finishes. Our Education range comprises chairs, tables and desks.

We also have a range of furniture that can be used in meeting rooms, receptions and board rooms. See page 50.
