

# OUTDOOR PLASTIC

Our Outdoor Plastic furniture is assembled from ranges by leading manufacturers including the Italian companies Pedrali and Scab. Stacking chairs and folding tables ensure that most of the products are easy to store.

Easy to clean, lightweight yet durable and in a wide variety of styles and designs this range is great for both indoors and outdoors. We have models in gloss and matt polypropylene, clear transparent and coloured transparent polycarbonates in many colours. All models are 100% UV resistant.

Tables are either entire polypropylene or a combination of polypropylene and anodised aluminium, ensuring that they are fine to be used outdoors.

- **Commercial quality**
- **Lightweight and stackable chairs**
- **Maintenance free**
- **Ideal choice for cafes, bars, bistros, etc**
- **100% UV Resistant**
- **Comfortable & durable**
- **Easy to move**
