

TERRACE ACCESSORIES

Our modular outdoor Terrace Screen System offers a flexible approach to creating a comfortable outdoor area. With various design options, Terrace screens look great and can be used to increase your seating capacity and can be sign written to promote your business. They are UV and weather resistant, carrying a 5 year manufacturers' guarantee.

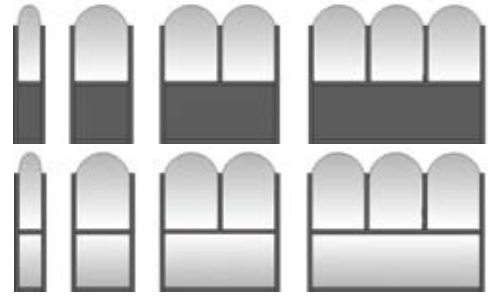

Our Jefferson all-weather banner system allows for the banners to be screen printed with company names and logos and in bespoke sizes. We also offer UK manufactured planters, patio heaters and the colourful bean bags and bean bag boxes.

- **Commercial quality**
- **Easily cleaned and maintained**
- **Patented design and structure**
- **5 year warrantee**
- **Adjustable supports for flat and uneven ground**
