TABLE BASES - INTERNAL

Providing strength and stability is essential and with our range of Internal Table Bases you get a great base at a great price. We have bases made from cast iron with both powder coated and chromed finishes, cast aluminium in both polished and powder coated finishes and stainless steel.

The types of bases include three branch, four branch, regular and large sizes, rectangular and bar / poseur height, all in both classic and contemporary styles.

Please contact the sales office for further information and assistance to ensure that the base you require is suitable for the table top chosen and the environment the base is to be used in.
