

TABLE TOPS - MISCELLANEOUS

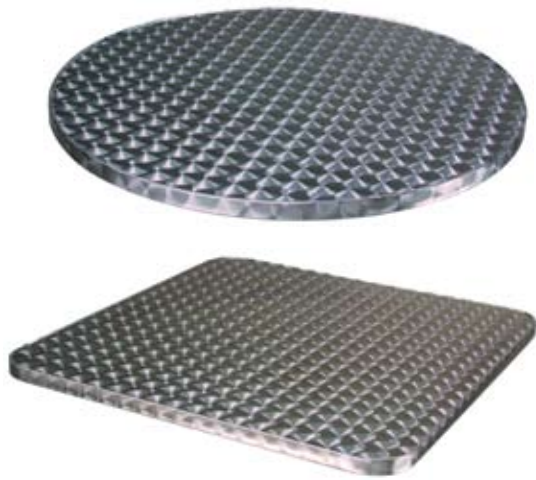

In this section we offer Inox Aluminium, Oak, Teak, Glass, Marble, Granite and Zinc tops. Most of these table tops can be used both externally and internally if required.

The Inox aluminium tops are a 'rimless' design and like both our Oak & Teak tops come in a range of round, square and rectangular sizes.

The Glass, Marble, Granite, Stone and Zinc table tops are all UK manufactured and bespoke so can be manufactured to your requirements.

All of our tops compliment our table bases range and you can mix and match tops with bases to create your own look.
