

PARASOLS

Our selection of parasols and giant umbrellas is one of the largest in the UK. Products available both from stock and also bespoke manufactured to suit all situations, clients and budgets.

Eden offer a standard 2.1m aluminium mast parasol in four colours and our premier Milan range of parasols in both 2.5m Square and 2.5m Round. The Milan Parasol is available in a choice of five colours.

In a larger size we stock our 5m Round Catterick with a range of canopy colours. These come complete with a base that can be slab filled or the option an in-ground sleeve. The Catterick offers great value for money and is ready for immediate delivery.

We also offer a range of bespoke parasols from Caravita who are a leading German manufacturer. Reknown worldwide, the Big Ben and Samara ranges are market leaders and are all made to order giving you a large choice of shapes, sizes, choice of canopy colour, valances and either freestanding or permanent bases

Big Ben & Samara

Eden also offer a bespoke Giant Parasol option with our German manufactured Big Ben and Samara.

Both of these Parasols offer the finest in European engineering and both carry a 5 year warranty against manufacturing defects.

The Big Ben and Samara are operated via crank handle and their telescopic system means that the parasols can be lowered and closed above standard table height.

There is a wide range of colours and canopy options with screen printing an additional option.

The Samara has a 50mm extruded aluminium mast with 30x15mm struts and is available in sizes from 2.5x2.5m Square up to 5.5m Round.

The larger Big Ben has an 84mm x 5mm thick mast with 40x20mm struts. This model is available from 3mx3m Square to 6m Round.

Choice of base options for both Parasols.
